You'll stay in Pyrgos village - the island's first capital, a medieval fortress overlooking the entire island. For centuries, Pyrgos was the main commercial and municipal centre for the island of Santorini, and nowadays, evidence of its former glory can still be admired at the remains of its Kasteli.

In such a gorgeous setting you can really relax, connect back to yourself, find new connections and unleash you.

Here is what our 2026 retreaters had to say:

“Olivia, what can I say, thank you so much for organising such a fabulous yoga retreat. Everything was so thoughtfully planned, and it was such a joy to spend time in such a beautiful place with such great company. The barre and yoga were great alongside the giggles we had. Thank you again for creating such a memorable retreat – I loved every minute of it.”

“Thank you for all the incredible food you cooked for us, the Unleash treat bags, organising countless transfers, sharing cocktails, taking us on hikes, and somehow still having the energy to motivate us through Barre + yoga every single day. But best of all was having YOU as our host, I genuinely wouldn't have wanted to share the experience with any other group.”

“Thank you Olivia for organising and bringing together such a lovely group of people.”

“I had the best time ever, such an amazing location and group. I surprised myself so much and was way out of my comfort zone and have you all to thank for an amazing time!”

“In all honesty, I'm lucky to have spent such great time with a wonderful group of fun, interesting, and hilarious, people and I'd do it again in a heartbeat (if you'd have me).”

“It was truly such a fantastic week. Thank you so much Olivia for organising everything and for all the extra touches that made it so special. Loved getting to know everyone — you're all such an amazing group of people.”
